

SENPA's AIMS

AIMS

To provide skilled photographers who will actively work with organisations to provide photographic images of local wildlife, habitats and conservation activities to promote and further conservation objectives.

The Association aims to provide:

- Voluntary photographic work for charitable organisations such as those involved in the countryside, agriculture, wildlife and nature conservation for non profit purposes in exchange for access to reserves and expert wildlife advice.
- We can undertake specific projects to agreed objectives.

The Association can provide images of:

- Landscape, scenic views and habitats.
- Wildlife 'portraits'.
- People and activities in conservation projects.

All photographers will follow SENPA's Code of Conduct and abide by the agreed terms and conditions relating to the licencing and copyright of images used for these purposes.
